## President's Letter

It's April and hopefully Spring has Sprung Eternal. Maybe we can squeeze in a nice day or two for a cruise to shake the cob webs out and lube up the gears. I was able to put a few miles on my XK8 this last weekend. The sun was out, it was dry and with the temps in the low 50's the chance of something over heating was nil. There is something about hitting the open road and hearing that engine roar to life. It really is a little piece of freedom that one can still exercise.

I try not to be overtly political about things vehicular as I am the Jaguar Club representative to the Colorado Collector Car Council and our mission is to preserve our ability to use and enjoy our collector cars and that mission benefits the owners of all marques regardless of party affiliation. That said, I've been alarmed recently by the vandalism being perpetrated on Tesla owners. It doesn't matter what side of the aisle one sits politically, destruction and desecration of one's property is a crime that needs to be punished severely. What is next? Going door to door looking for people's houses that have an electric vehicle out front, breaking their windows and painting ugly slurs on their doors. That kind of behavior harkens back to some really ugly times in the history of the world and this kind of hate has to be stopped dead in its tracks. Tesla's today, Jaguars tomorrow? If someone doesn't like the direction of the country, the place to voice those complaints is at the ballot box, not on peoples cars, not peoples businesses and not peoples houses. Enough said.

Make sure you mark your calendars to make time for the judges training that Steve Kennedy our chief judge is conducting. The first one is one is on April 12th, the second one on May 17<sup>th</sup>. Noon to 4 [pizza at 11:30]. Our monthly meeting at the Blue Bonnet is May 13<sup>th</sup>. For those of you lucky enough to have Moms in your family, make sure you do something special for her on May 11<sup>th</sup>, Mothers day. If you are looking for a good reason to take your Cat out for a run, on Memorial Day, (that's on the 26<sup>th</sup>) there is a car show for all makes and marques at Applebee's on West Colfax and Miller St. These shows are a fun way to rub shoulders with other car and truck enthusiasts. Who knows, like Woody Allen once said, 80 percent of success in life is just showing up. Heck, you might be surprised and walk away with a trophy. If you are bored and need a reason to get out of the house, check out this website. <https://coloradocarshow.com/colorado-car-show-calendar/>. As always, I wish you pleasant journeys on friendly roads.  
*Tom Estes President.*

## This Month's Cover

This month's cover is of Deanie's NEW 2007 Blue Prism Mica XK next to her 2007 Blue Prism Mica XJ8L sedan. Yes, just what they need, another Jaguar. But the Rest of the Story is, that Steve first saw this XK when it was brand new on Stevinson Jaguar's lot on south Broadway.

Club member, Bob Lewis, who recently passed away, bought it back then. Steve always loved this color and told Bob that if he ever wanted

to sell it, Steve was interested. No of course! Bob said he had 8 grandchildren who wanted it before there would be any change of Steve ever buying it. In 2009, Steve and Deanie were at the Colorado Springs Concours and saw the 2007 XJ8L sedan. Steve fell in love with it because it was the same color as Bob Lewis' 2007 XK.

The sedan had just been traded in to Red Noland Jaguar. For that particular year, 2007, if the car is not driven frequently enough, the battery gets low (11.9 volts) and the emergency brake automatically sets. So, that owner had it trailered from Nebraska to Colorado Springs. That owner's wife was in the show room and said to her husband, "Honey, I like this one better", so it got traded in. Steve and Deanie saw it during the 2009 Colorado Springs Concours. Steve fell in love with it because it was the same color as Bob Lewis' XK.

So, Steve and Deanie traded in their 2000 green XJ and bought the Blue Prism Mica sedan from Thom Buckley, the Red Nolan GM. As this was the day after the concours, Thom said he did not even run it through their detailer, he just put it on the lot and it sold right away.

Bob did bring his Blue Prism Mica XK to the Conclave in September 2009 and parked it side by side with Deanie's XJ.

Well, years passed, Cyndi and Howard even saw Bob's XK at some point and offered to buy it, no luck.

As was said, Bob recently passed away. Tom Scott of the Porsche club and chief judge at the June ACC show, was asked to find the car a new home. Vince received a flyer about the XK and Steve was all over it to buy it. Steve and Deanie contacted Tom and arranged to see the XK again, and Yes, they were still in love with it, especially Steve!!!

So now Deanie will have 8 wheels to clean come concours time. We'll see if she comes in 1st and 2nd with her 2007 XK and 2014 XKR-S, and which one is 1st.

**Happy Birthday Deanie!!!**

And Happy Steve, finally got the "Blue" Jaguar he wanted since 2007.

### Radio Code

Someone at Lakewood (Stevinson) Jaguar recently asked recently about getting the radio code for his XJS. It was too old for them to find any records.

Steve did ask a friend in Mahwah NJ, and was told that with a VIN, he can find the radio codes for SOME of the older Jaguars. Contact Steve, [skennedy@ecentral.com](mailto:skennedy@ecentral.com) if you need the code.
