

# JAGUARS On The Island

## Celebrating the Iconic E-Type XKE

### JAGUARS ON THE ISLAND 2025

This year, the Jaguar Club of Victoria (JCCV) is celebrating the 20<sup>th</sup> anniversary of its highly anticipated premier event called, JOTI – Jaguars On The Island. The Concours d'Elegance and car show will be held on **Saturday, July 19<sup>th</sup>**. Concours d'Elegance, from the French, meaning a *competition of elegance*, refers to the gathering of prestigious cars which are strictly judged on their appearance, authenticity and condition.

Generally there are 120 plus registrants for the event and the cars are nestled on the beautiful grounds of **Windsor Park, Oak Bay**. This welcoming, free to the public experience runs from **9:00 am to 3:00 pm**.

JOTI consistently holds the distinction of being the largest open-air gathering of Jaguar automobiles in North America held in the charming city of Victoria. It is a major event for the Victoria club, which entices enthusiastic members from B.C., Alberta, Washington, Oregon and sometimes, as far flung as California and Arizona.

A wide variety of Jaguar car types spanning many eras are on display, from large saloon cars to sleek sports cars. This year's feature pays tribute to the iconic E-Type XKE, produced from 1961 to 1974. The E-Type was dubbed as the "most beautiful car in the world" by none other than Enzo Ferrari and is often considered to be one of, if not the greatest, sports car of all time.
