CLASSIC CAR WEEK

British Festival debuts in Carmel Valley

PHOTO BY KYARRA HARRIS — MONTEREY HERALD

British marque car enthusiasts browse rows of classic and modern models on a warm, sunny afternoon at Carmel Community Park during Monday's gathering, where more than 80 vehicles, from Aston Martins to Triumphs, were displayed against the backdrop of the Santa Lucia Mountains.

President’s message for September 2025

At a time when inflation and the rising costs of everyday living are a concern for the majority of Americans, keeping a tight rein on spending is more important than ever. Those of us who are on the board of the Jaguar Associate Group are also keeping a careful eye on how our funds are managed, including how our club member’s annual dues are spent. As you may be aware, a large portion of those dues go directly to membership in the Jaguar Club of North America (JCNA), the umbrella organization that provides our club with a number of different services, including providing insurance for our events and drives as well as delivering the Jaguar Journal.

Many of you recently participated in a survey which we put together to try to gauge your understanding of how JAG members value their membership in the JCNA and the services they provide (BTW, thank you so much for taking the time to respond to this survey!). As you may have guessed, the reason for this survey together has to do with the relatively high cost of JCNA membership, which is now \$55 for each of our members, but is likely to go up in the near future. As our club currently boasts more than 200 members (we’re the largest Jaguar club in North America), that’s a whole lot of cash that we send JCNA every year. We do subsidize \$15 of each JCNA membership from our coffers, but that might also change in the future.

While this last survey did give us some good intel, it raised a number of new questions that we’d like to get answers to. We’ll be sending out an invitation to take this additional survey via email in the next few weeks; as always, we’d appreciate you taking a few moments to fill the survey out. Our goal is, as always, to make sure JAG members

are getting the best bang for the buck for each dollar that spent on their JCNA membership.

Now, on a completely different note, I want to thank all the JAG members who recently participated in our club’s Monterey Car Week events: 1. The Sunday “Cars and Coffee” meet-up at the Seaside Jaguar Dealer, followed by the drive around Pebble Beach and lunch at Indian Village. 2. Monday’s Monterey British Car Show at Carmel Valley Community Park. We had a great terrific turnout at both events, due in no small part to the tremendous efforts of Kristan Neubecker, who tirelessly organized the events for both days— Thank you Kristan for all your hard work! Also, congratulations to JAG members who won awards at the car show: Les Hamilton, Stuart Smedley, Sandor Kovacs and David Langley.

Finally, I’d like to appeal to you to participate in the “President’s Drive,” I’ll be leading to the historic Hacienda at Hunter Liggett which takes place on September 13th and 14th. It’s sure to be epic, so please sign up soon!

Looking forward to our next Jaguar Club get together,
Sandor Nagyszalanczy,
JAG President

Monterey Car Week

TEN DAYS CELEBRATING AUTOMOTIVE EXCELLENCE

From an SS-100 to Type-00
Car week brought it all!

Christmas has come and gone in the form of Monterey Car Week, our favorite 10 days of the year, and the extra bonus was seeing many more of our Car family than usual. While we missed attending a few events, Sunday, August 10th, and Monday, August 11th are likely to be our favorite days of the entire year!

Sunday, Jaguar Land Rover of Monterey cleared the lot and opened their doors for the nicest Cars & Coffee I have ever attended.

We were treated to espresso drinks from Captain & Stoker along with several choices of pastries from Ad Astra bakery which are both revered favorites. There was a local radio station on site playing great music, and I heard one of the special Rovers parked in front of the shop was decked out with Rubies on the dash.

The morning may have started out with fog, but Mother Nature knew gorgeous cars were on their way and we were greeted with beautiful blue skies in Pebble Beach.

The Lodge reopened a few days prior which made a wonderful backdrop to add to the list of places John Swensson has purchased a car, ha!

We delighted tourists at Bird Rock with an impromptu early car show before heading over to a relaxing lunch among the trees.

Monday morning arrived quickly, and our Lassie Limos were once again full workhorses. One hundred British vehicles and more spectators than we ever guessed joined us in Carmel Valley.

25 of those vehicles were JAG members, and several JAG members were among the list of trophy winners.

I lived a dream this year as I got to see, hear, and meet the Parkinson Jaguar Special, the Von Neumann MG and the Rooklidge 120 all together!

Local KSBW TV news came out, and I believe all in all, there were six articles printed about the show. Mark your calendars and get your hotel reservations now! Next year's dates will be Sunday, August 9th for Cars & Coffee followed by lunch in Pebble Beach with Monterey British show Monday, August 10th, 2026.

Tuesday brought Concours for a Cause in Carmel by the Sea which I highly recommend. Several JAG members were in attendance both as entrants as well as spectators.

Thursday is our favorite morning with the Tour d'Elegance where we experience a majority of the Pebble Beach Concours entrants under their own power as they parade to Big Sur and back.

Les lucked out when Jeremy McChesney stopped right next to him to cool for a minute. XKD522 was the first D-Type to arrive on the West Coast and is one of only two red D-Types the factory produced.

Thursday morning everyone learns what cars are here so we were ecstatic to also see the incredible alloy XK120 as well as two C-Types before enjoying the world traveling expedition Land Rovers.

Friday's fun continues seeing our friends as they participate in the Pacific Grove Rotary Auto Rally. We got to wave and cheer on Glen Barker, Les Hamilton, and David Langley among others.

Saturday morning, we were among the first to check out Type-00. I will say I don't dislike it is as much as I thought but I still prefer the lines and the supercharged V-6 internal combustion engine in our Sportbrake which it really reminds me of.

Thinking about electrical concerns, Lucas only struck twice that I am aware of: first with the espresso machine at Cars & Coffee and right about the time our show ended, the construction stoplights stopped working contributing to the traffic at the Grade.

President's Drive: Santa Cruz to Fort Hunter Liggett's Historic Hacienda

Prepare for an unforgettable Jaguar adventure lead by your President! Our President Sandor invites club members on an overnight drive from Santa Cruz to the Hearst Hacienda Lodge at Fort Hunter Liggett. This scenic journey combines coastal roads and inland tranquility and promises to be a highlight of the club's calendar.

**Dates: September 13-14, 2025
(Overnight)**

**Destination: Hearst Hacienda Lodge,
Fort Hunter, Liggett, CA**

The Hacienda Lodge, on a military base, was designed by Julia Morgan, the same architect who designed Hearst Castle with historical charm, providing a picturesque backdrop.

Saturday morning we'll meet at 11am at the Santa Cruz County Courthouse parking lot on **701 Ocean Street**. We'll embark on a leisurely drive, enjoying winding roads, and a scenic coastal stretch of Highway 1 until we reach our lunch spot, Mo's River Road Grill in Salinas. Our next stop will be Fort Hunter Liggett, arriving at the Hearst Hacienda Lodge around 3:00pm. We'll enjoy a relaxing evening at the Hacienda with a group dinner at the Lodge's restaurant and cocktails at the historic bar. Sunday will begin with a full-breakfast and another drive close to the Hacienda before we leave for home. Potentially taking a different route for varied scenery.

The Hacienda offers these rooms:

Cowboy Rooms: Queen size beds with shared bathroom/shower - \$50/night

Garden Rooms: King or Queen size bed with private bathroom - \$75/night

Tower Rooms: Queen size bed and full sofa bed with private bathroom - \$90/night

Mini Suites: Queen size bed and full sofa bed with private bathroom - \$95/night

Upper Commander's Suite: Two bedrooms (queen and king beds), full kitchen, living room, full bathroom - \$150/night (two-night minimum stay required)

Important Notes:

Some rooms do not have air conditioning; Wi-Fi is available but may not be reliable. Make room reservations directly with the Hacienda Lodge at (831)386-2900. Since a few of the hotel rooms don't have bathrooms, they're down the hall, you may want to get a room at the IHG ARMY HOTELS GIBB HALL which is still on the base and run from \$106-\$118. Please be sure to tell them that you're with the Jaguar Associate Group (JAG) and are attending an event at the Hacienda Lodge (831) 263-3040.

MOSS BEACH DISTILLERY

Exercise your CAT and have brunch at the Moss Beach Distillery on Sunday November 16, 2025. Join us for one of our most popular events. A short drive from multiple locations, followed by a display of our cats in the parking lot and then a delicious brunch in the Fitzgerald Room, with spectacular ocean views. We will meet at four Bay Area locations to caravan to the Moss Beach Distillery located at 140 Beach Way, Moss Beach. During Prohibition it was an ideal spot for rum running and bootleggers and became a 'speakeasy' establishment. The restaurant is located on a cliff above a secluded beach with fabulous views. It is also famous both because mystery writer Dashiell Hammett was a frequent visitor and used it as a setting for his detective stories and because long time JAG member Bernie Stein worked there in his teens! We will assemble in the parking lot south of the entrance by 11:00 to exhibit our CATS and socialize with brunch starting at 11:30. The brunch includes:

- Fresh baked pastries (unlimited supply)
- Fruit cup
- A bottomless glass of orange juice, sparkling wine or Mimosas
- Coffee or tea and soft drinks
- **#1: Coastal Crab Cake Benedict**- two crab cakes topped with poached eggs and hollandaise. Served with homestyle potatoes
- **#2 Grilled Pork Chop and Eggs**-One pork chop marinated in chimichurri with a mustard sauce, accompanied by eggs scrambled with parmesan cheese and artichoke hearts. Served with homestyle potatoes.
- **#3 California Coastal Omelet**- Three egg omelet with chopped prawns, tomato, avocado, scallions, Monterey jack cheese, topped with a bay spice aioli, Served with homestyle potatoes.
- **#4 Grilled Salmon Fillet**- Fresh Salmon filet served over homestyle potatoes with seasonal vegetables and beurre Blanc sauce.

Because of the popularity of this event and the fact that our room only holds 55 people, you'll need to make your reservations early. While some may feel this is a steep price to pay for brunch, the food is delicious and plentiful, the view is spectacular, and the fellowship can't be beat. So, sign up on the website or use the form included. This is a rain or shine event.

September Membership Report

Phil Endliss - Membership Director

Our membership is now up to 227 members including 8 Associates. We are really close to our annual goal of 235 members, and I am ever so thankful to all our members who refer new members to join the club. Please continue to be on the lookout for potential new members to help us maintain our status as the largest Jaguar Club in North America and offer a wonderful environment to enjoy your Jaguar. Make sure to use your "You've Been Spotted" postcards or business cards when you see a Jag on the street, in a parking lot, during a visit to a Cars & Coffee meeting and especially at car shows.

New member signup

JAG welcomes everyone with a Jaguar to join our club. Even if you just have a desire to own a Jaguar or lust after one, you can become a Friend of JAG. You can use the application on our website under the Membership tab or you can mail in the printed application form with your payment. Your dues will provide membership in JAG and JCNA, the North America Jaguar Association, through the end of 2025.
