

CR6F Authenticity

The Foundation provides this service, always being careful to steer away from questions that are better answered by the Rules Comm. In fact, some of the questions come from the Rules Comm., which are always promptly and accurately responded to.

In addition to electronic or phone questions research in person is possible at both library locations. Recently we were visited by none other than Dr. Haddock who said he was very impressed and bemoaned the days when he could seek help from the JDHT. That has become cost prohibitive and is well documented to be so.
